

26<sup>th</sup> July 2017

Dear Parents,

Do you all remember this piece of news which appeared on all our school portals?

8-Year-Old Genius Impresses Us by winning the Whiz Genius Award – 2017 from 78000+ Participants Pan India! He was none other than our student Mast. Soham Pednekar.

The winners of the year 2016-17 were:

- Kinshya Akrekar
- Arnav Murthy
- Kimaya Akrekar

Child geniuses never fail to impress. Especially, when they're busy making games at the age of eight to impress one of the most influential leaders of the world.

We are also the recipients of “India’s Top Tech Savvy Teacher Award”

To encourage and motivate our students, we at Pawar Public School, Bhandup again bring and present “Whiz Juniors 2018”!!!

Clone Futura presents an Online Tech Competition for kids from - Std 1st to Std 10th – ALL India & Govt. Recognized.

We invite all our next generation entrepreneurs, innovators and “Little Techie’s” of Pawar Public School, Bhandup to be productive online & enhance their programming, creative & innovative skills!

Using Gaming as the central theme for Learning, Whiz Juniors channelizes the kid’s time into enhancing their programming, creative & innovating skills. The platform prepares the child to be productive online while he believes he is playing.

To keep the child engaged, the platform organizes weekly, monthly as well as annual online competitions which keeps the student motivated constantly to improve his skills.

A child can choose from a plethora of courses and get Accredited Certifications.

Some of our popular courses are:

Mobile App Development, Cyber Safety, Artificial Intelligence, Web Designing, Video Making and Editing, Animation, Game Development, Productivity, Graphic Designing, Digital Marketing, E Commerce & more...

On each submission students earn coins that uplifts their ranking Intra-School & Nationally. Accumulated coins of all the students of that school results in obtaining the School National Ranking - Top Tech Savvy Schools of India Students Competitions –

- a. **Weekly Competition** – Motivating the New Comers to Win the Weekly Competition where they are assessed as per the number of coins earned during that week
- b. **Monthly Competition** – Tech Skills Specific Competitions
- c. **Annual Competition** – The most acclaimed & held with fanfare is the Grand Annual Competition which comprises of 3 Rounds and boils down to finding the

Tech Geniuses' of India In Whiz Junior they will learn along Simple Latest & Fast Tech Courses through Online Videos provided in the website for FREE & get Certified!

Our kids can become India's Next Tech Genius & Participate in the competition which will make them innovators, entrepreneurs, productive & constructive! They can win a trip to Silicon Valley – California - USA, Laptops, Tablets, Smartphones, & more...

Winners will take home prizes and accolades that will be covered by the media!

**The process for Whiz Juniors is:**

**Step one - students have already been registered**

**Step two - they have to login by entering their parents registered Mobile number** which will also be their login id and password.

Levels

- Level A – Grade 1st , 2nd and 3rd
- Level B – Grade 4th, 5th and 6th
- Level C – Grade 7th , 8th and 9th
- Level D – 10<sup>th</sup>

For further inquiries call **Clone Futura – Ms. Vidushi Daga 7666 188 188** or in school please contact Ms. Rekha Pradeep.

Our students have been oriented in school with regard to WhizJunior competition.

**We have to only encourage and motivate them to login and get gamified!!!**

Regards,

Team - Pawar Public School, Bhandup
